

## "Proposed Immigration Reform Bill"

Dear Mr. President Obama,

We are a grassroots advocates group for senior citizens, military veterans and for the under-served. We are proposing a bill for immigration reform. We believe this proposal would be a win-win solution for our nation.

This proposal is intended to bring restoration to broken humanity in our nation; from our troops, to our veterans, to our low income senior citizens, to the unemployed, to the homeless, to the least of our undocumented immigrants.

We would greatly appreciate your evaluation and consideration of our proposal. Our hope is that a grassroots proposal such as this would be reflective of the will of the people, and unite our nation together as one.

We trust that you would give this proposal your evaluation and we thank you in advance for your consideration.

If we put a price on freedom, people would be willing to pay for it.

God's Continued Blessings,  
Belinda Casanova Hernandez.
